

PRAYER TOPICS

Sunday: As we reach the end of another Fair Trade Fortnight, give thanks for all the people who have worked so hard during the last two weeks to remind folks of the difference made by buying Fair Trade. For those who made tea and coffee, baked cakes, wore silly costumes, talked to school children and all the countless other things, give thanks to God for their commitment.

Monday: Pray that our Scottish Parliament will continue to support Fair Trade and keep its promises to make justice a priority and help the world's poorest people.

Tuesday: Give thanks for the courage and dedication of Just Trading Scotland and pray that their work with the Kilombero rice farmers of Malawi will continue to bring such an improvement in their lives

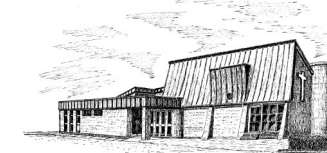

Wednesday: Pray for all the children in 3rd world countries whose education depends on people in wealthy countries like ours being prepared to pay the Fair Trade premium. Pray that more children will soon have access to the health and education benefits that this can provide.

Thursday: Give thanks that simply by drinking Fair Trade tea we can provide a pension for elderly tea pickers in Sri Lanka and India which saves them from having to beg on the streets for food.

Friday: Pray that our own supermarkets will continue to honour their stated support for Fair trade and will expand their range of Fair Trade goods.

Saturday: Pray that the momentum of Fair Trade Fortnight will continue throughout the year. Pray that we never take for granted the benefits of the health and education provision in our country and that we never forget the poor and the downtrodden.
